I also had inflammation of the womb and ovaries, and at menstrual periods I suffered terribly. At times my back would ache very hard. I could not lift anything or do any heavy work; was not able to stand on my feet. My husband spent hundreds of dollars for doctors, but they did me no good. After a time I concluded to try Lydia E. Pinkham's Vegetable Compound, and I can truly say it does all that you claim for it to do.

"I have had no womb trouble since taking the fifth bottle. I

weigh more than I have in years; can do all my own housework, sleep well, have a good appetite and now feel that life is worth living. I owe all to Lydia E. Pinkham's Vegetable Compound. I feel that it has saved my life."—MRS. ANNIE THOMPSON, South Hot Springs, Ark.

Lydia E. Pinkham's Vegetable Compound is a perfect medicine for women who are ill. It builds up the weakened female organism, and helps women over the hard places. Of this there is abundant proof.

MRS. AMOS FESCHLER, Box 226, Romeo, Mich., writes:

"DEAR MRS. PINKHAM:—Before I commenced to take your medicine I was in a terrible state, wishing myself dead a good many times. Every part of my body seemed to pain in some way. At time of menstruation my suffering was something terrible. I thought there was no cure for me, but after taking several bottles of Lydia E. Pinkham's Vegetable Compound all my had feelings were gone. I am now well and enjoying good health. I shall always praise your medicine." DEAR MRS. PINKHAM:-Before I commenced to take your

MRS. ELIZA THOMAS, 634 Pine St., Easton, Pa., writes:

"I doctored with two of the best doctors in the city for two years and had no relief until I used the Pinkham remedies. My trouble was ulceration of the uterus. I sufficed terribly, could not sleep nights, and thought sometimes that death would be such a relief. To-day I am a well woman, able to do my own work, and have not a pain. I used four bottles of Lydis E. Pinkham's Vegetable Compound and three packages of Banative Wash and cannot praise the medicines enough."
